

Lindisfarne Methodist Parish

Pink sheet – March 2024

Your Parish Council met on Tuesday, 12th March 2024

The following items were discussed:

- Tania is away 9th – 11th April to Auckland for mandatory training.
- We are grateful to Olive Ladbrook for a generous legacy of \$19,742.
- We are appreciative to our Outreach Committee for their work. Cheese roll date to be confirmed.
- This will be a tough year with renovations happening on Miller Street which will affect everyone. Tania reminded everyone to be kind.
- A discussion was held regarding people talking while the Music Team is playing. The Music Team has mixed opinions regarding this. No solution was found. Church is some people's only chance each week to talk to others and fellowship is important.
- Renovations on the Miller Street property will start as soon as we receive approval from MCPC (Methodist Church Property Committee).
