Thought for the Week

We must know how to say Thank You. Our days are filled with the gifts the Lord showers on us. If we were in the habit of taking stock of them, at night we should be like a "queen for a day," dazzled and happy with so many blessings. We should then be grateful to God, secure because he gives us everything, joyful because we know that every day he will renew his gifts.

Everything is a gift from God, even the smallest things, and it's the sum of these gifts that makes a life beautiful or sad, depending on how we use them.

Thank you, Lord, thank you.

Thank you for all the gifts that you have given me today.

Thank you for all I have seen, heard, received.

Michel Quoist
