Thought for the Week

Ash Wednesday Service at 4.00pm on 14th February

Ash Wednesday is the start of Lent and as naïve as it may sound, I believe that Lent, with its intentional practice of the disciplines of authenticity through prayer, generosity through giving, and simplicity is able to provide us with a guide to a healthier, more sustainable way of being. And, while we may not be able to change the world, Lent can show us how, by making small changes in our personal and collective attitudes and actions, we can make a meaningful contribution to changing our world.
