Thought for the Week

The grace of God, and the challenge to live graciously and lovingly, shine through in the readings of the Lectionary this week. From David's grief over both his enemy, Saul, and his friend, Jonathan, to Jesus' healing of both the poor, rejected woman and the wealthy synagogue leader's daughter, God's grace is seen to extend to all people. As those who seek to serve and worship this God, then, our capacity for love and grace can expand and grow to become inclusive, healing and transforming.

May the grace we experience in our worship this week overflow into our lives and relationships to the glory of God.

Tania will be on leave from 8th to the 26th of July. In case of an emergency please contact Barbara Richardson.
