## Thought for the Week

To Hope and Act with Creation

"To hear creation's cries of anguish suggests to me that we need to develop a spirituality of listening. With ourselves on mute, we might begin listening deeply, richly and reverently, with prayer, care and attention so that we come to appreciate that everything is connected. We might listen in a way that leads to repentance, to concrete action, a modification of our lifestyles and destructive systems, a commitment to speaking up on behalf of those we have silenced.

If we listen, we will learn from nature's own systems and processes." (Elizabeth Julian)

*We recognise and bless the gifts brought to the table and those given to support the mission of the church through automatic payment.*

**Prayer Hour** – every Tuesday at 10.30am. Join us as we pray for our Church, church family and our community.

**This Sunday - Spring Flower Sunday** Thank you for the spring flowers you have brought today. They will be made into posies for you to take to family, friends, neighbours and yourself.

**Next Sunday –Spring Forward Sunday** Remember to put your clocks forward one hour next Sunday.

**Tonight – “Service of Lament”** at 6.00pm. In response to MCNZ Historic Abuse and Safeguarding for the Future, we meet for a time of collective prayer and lament for what is and can be.

**4th October – Friday Coffee** time with Tania 2.00pm at The Pantry.

**Recycling** – Thank you for bringing your milk bottle tops which will be made into skateboards. We are also collecting can tabs for Kidney Kids. Please leave them in the container on the foyer table.

*The things I sow somehow don't grow  
I'm sorely disenchanted:  
But, oh, what luck I have with stuff  
I never even planted.*
