Thought for the Week

To Hope and Act with Creation.

“We need to discover a new-found humility. If we don’t proactively and voluntarily acquire it, then it will be imposed upon us by nature ... Thinking and acting differently, however, does not come easily to human beings. A spiritual vision of our relationship to the world which immediately segues into a moral and ethical basis for our relationship to other humans, the planet and the cosmos ... is the ultimate test of the human psyche — the ability proactively, fundamentally to change our way of thinking on an abstract, long-term threat.”

Michael Fitzsimon's interview with Kennedy Graham

We recognise and bless the gifts brought to the table and those given to support the mission of the church through automatic payment.

Prayer Hour – every Tuesday at 10.30am. Join us as we pray for our Church, church family and our community.

We remember Hilda Fife who died last week. Hilda (Dobbie) was a loyal member of our early church at Lindisfarne. She was part of our church choir and had even chosen a favourite hymn for them to sing at her funeral.

Thank you to everyone who took our Church into the community last Sunday. Everything you did is so much appreciated, and you made a real difference in our community.

3rd October –Thursday Ladies Group meets at 2.00pm. Suzanne Dalton will speak about the Otago/Southland rescue ambulance service.

4th October – Friday Coffee time with Tania 2.00pm at The Pantry.

19th October – Garage Sale Just three weeks left before our annual garage sale. We welcome presentable donations (not broken or damaged). Please get the key from the office or from Daphne, so you can put your “no-longer-wanted” in our garage.

Recycling – Please continue to bring your milk bottle tops, which will be made into skateboards. We are also collecting can tabs for Kidney Kids.

Learn from the mistakes of others. You won't live long enough to make them all yourself.
