Thought for the Week

There is a strong connection between hope, wisdom and connection. Without hope, we struggle to stay the course, and we make foolish, impulsive mistakes. With hope, we discover stamina and perseverance we didn't know we had, and we are able to slow ourselves down and move beyond our fear to the choices that bring life. This is the basic message of the Lectionary this week.

May our worship renew our hope, and, through it, give us strength to commit to, and the wisdom to act in alignment with, God's always coming reign – for which we remain always watchful.

Prayer Hour

Please join us for our Prayer Hour every Tuesday morning at 10.30am as we pray for our Church, Church family and our community.

Next week is Thanksgiving Day in America. (23rd November)

Perhaps we could also join in giving thanks for ...

the people who bring us to church each Sunday
the smiles and greetings that meet us at the door
the music – choir, organists, music team
the preparation for Kids Klub and the creche
the people who serve us morning tea and lunch
those who care for our surroundings - gardens, lawns
the general upkeep of the building
the preparation of the power-point and Bulletin
the beautiful flower arrangements
the fun, social times
the work that Laura does for us in the office
the message we get from the Sunday service
the time given by the Lay Preachers
the prayers and visits when we are sick
our Minister Tania's love and care
and
the opportunities for each of us to serve
